

# BOMB INDICATORS FOR MAIL AND PACKAGES

*Individuals and staff who handle mail should be aware of the possibility of suspicious mail and packages*

## Suspect Mail

## Suspect Package

## Indicators of Suspicious Mail and Packages

- Unexpected or unusual mail
- Mailed from Foreign Country
- Excessive Postage
- Excessive Weight
- Badly Typed or Written Address
- Title but no name
- Rigid or bulky envelope
- Misspelling of Common Words
- No Return Address
- Restrictive Markings (Confidential, etc)
- Excessive Securing Material
- Protruding Wires
- Strange Odor
- Oily Stains on Wrapper
- No Postage stamps or markings
- Holes in the packaging/envelope
- Two envelopes (one inside the other)
- Gut feeling of suspicion

## IF YOU SUSPECT A BOMB:

- Do not open or handle the item
- Isolate the area (evacuate to a safe distance behind cover)
- Leave the area yourself
- Contact the Police and then the Community Security Group
